Sectors we serve

Our Services

We are proud to offer an extensive portfolio of integrated maritime solutions that make your fleet.

‘Never Stop Sailing’.

•Provisions

Globe Ships offers a complete range of fresh, frozen and dry provisions that are stocked in our own warehouses containing state-of-the-art refrigeration and freezer facilities. Fruit, vegetables and dairy products are purchased and delivered daily from the market.

•Bonded Stores

Globe Ships stocks a wide range of cigarettes and confectionary, as well as perfumes, toiletries and an exclusive range of gift items. Additionally we offer our customers an extensive range of electronic items, including the very latest models of TV, DVD and stereo equipment. Our range also extends to clothing and luggage items, meaning we can satisfy every need.

•Cabin Stores

A complete range of cabin stores is available from all our branches. Everything from soap to bedding and galley equipment is available in a variety of forms. We also equip new-buildings by sourcing equipment from around the world. We ensure that all partners in the purchasing process are satisfied from the procurement departments to the individual seafarers.

•Deck & Engine Stores

Globe Ships carries all types of ship accessories and nautical equipment for decks, engines and cabins. Charts, nautical publications, flags and stationery as well as safety equipment, rust removers, brushes, tools and much more are available from our local warehouses. We deliver engine stores, such as tools, bolts, screws, steel as well as heavy machinery and we supply electrical equipment in all voltage ranges to suit any application, from a simple light bulb to the most advanced electronics.

Other Services

Fresh Water & bunkers Supply
We Supply Fresh Water & Bunker to All vessels can be assured of the quality and quantity of bunker, as well as safe and efficient delivery.

Egypt is a bridge between east and west and has a unique strategic position both for transportation purposes and geo-politically. Suez Canal are the only sea passage on the Mediterranean Sea and red sea.

Delivery to vessels passing in transit through the Suez Canal (Northbound or Southbound) constitutes quite big share of our business.

We supply passing vessels , without any need to drop anchor or stop engine; avoiding and delay in their operations.

Our purchasing power enables to consistently source the best products at the most competitive prices. Transparency and budget control are key priorities for our customers, and in the current market, ensuring optimum efficiency is business-critical.
